Volumul de față cuprinde o selecție a lucrărilor prezentate în cadrul secțiunii de lingvistică a Colocviului aniversar Literele Bucureștene 160 de ani de existență desfășurat între 2 și 4 noiembrie 2023 la Facultatea de Litere Universitatea din București. Lucrările au în vedere subiecte actuale de cercetare discutate din perspectivă atât sincronică cât și diacronică acoperind o mare varietate de subdomenii lingvistice: lexicografie, lexicologie și semantică, onomastică, romanică, morfosintaxă, istorică și romanică, dialectologie și geografie lingvistică, pragmatică, stilistică, lingvistică semantică, cognitivă și culturală. Articolele ilustrează continuitatea firească între teme și metode de cercetare tradiționale și abordări moderne cu deschidere spre teorii, concepte și instrumente de lucru recente corelate cu studiile internaționale.

Lucrarea prezintă o sursă bogată de material lexical nou atestat din diverse stiluri și registre interesant atât pentru cei care studiază morfologia derivțională și vocabularul cât și pentru alții lingviști interesați de dinamica și evoluția limbii române.

Film Music in the Sound Era: A Research and Information Guide offers a comprehensive bibliography of scholarship on music in sound film, 1927-2017. Thematically organized sections cover historical studies, studies of musicians and filmmakers, genre studies, theory and aesthetics, and other key aspects of film music studies. Broad coverage of works from around the globe, paired with robust indexes and thorough cross-referencing, make this research guide an invaluable tool for all scholars and students investigating the intersection of music and film. This guide is published in two volumes: Volume 1: Histories, Theories, and Genres covers overviews, historical surveys, theory and criticism, studies of film genres, and case studies of individual films; Volume 2: People, Cultures, and Contexts covers individual people, social and cultural studies, studies of musical genre, pedagogy, and the industry. A complete index is included in each volume.

Places Switzerland within the context of transnational labor migration and examines how this German, French, Italian, and Romansh speaking nation is being transformed by the influx of migrants from all over the world who now constitute a fifth of the population.

Studiile incluse în volum aduc în atenție creatori, scriitori, cineaști, pictori în special de secol XX cu profiluri dintre cele mai variate: semnatarii studiilor, studenți, doctoranzi sau profesori atrași de provocările abordărilor de tip comparatist. Citesc și explorează operele literare și artistice cu o privire atentă, proaspătă, documentată. Volumul se înscrie în tendințele actuale ale cercetărilor comparatiste punând în valoare dimensiunea proteică a artelor precum și disponibilitățile literaturii de a asimila mijloace și forme din alte domenii artistice.

The history of German film is diverse and multi-faceted. This volume can only suggest the richness of a film tradition that includes five distinct German governments: Wilhelmine Germany,

the weimar republic the third reich the federal republic of germany west germany and the german democratic republic east germany as well as a reunited germany two national industries germany and austria and a myriad of styles and production methods paradoxically the political disruptions that have produced these distinct film eras as well as and the natural inclination of artists to rebel and create new styles allow for construction of a narrative of german film disjuncture generates distinct points of separation and yet also highlights continuities between the ruptures this second edition of historical dictionary of german cinema contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 200 cross referenced entries on directors actors films cinematographers composers producers and major historical events that greatly affected the direction and development of german cinema this book is an excellent resource for students researchers and anyone wanting to know more about german cinema

this comprehensively revised updated and significantly extended edition introduces german film history from its beginnings to the present day covering key periods and movements including early and silent cinema weimar cinema nazi cinema the new german cinema the berlin school the cinema of migration and moving images in the digital era contributions by leading international scholars are grouped into sections that focus on genre stars authorship film production distribution and exhibition theory and politics including women's and queer cinema and transnational connections spotlight articles within each section offer key case studies including of individual films that illuminate larger histories heimat downfall the lives of others the edge of heaven and many more stars from ossi oswalda and hans albers to hanna schygulla and nina hoss directors including f w murnau walter ruttmann wim wenders and helke sander and film theorists including siegfried kracauer and béla balázs the volume provides a methodological template for the study of a national cinema in a transnational horizon
